### FirstService Announces the Unification of SST and Intercon Security

Valley Forge, PA (March 31, 2004)

Security Services & Technologies (SST) and Intercon Security will be holding an Interactive Video Conference to announce the unification of the two organizations on March 31st, beginning at 4:00pm.

Frank J. Brewer has been named Chief Executive Officer of the FirstService Security Division. Brewer will be responsible for the North American Operations, which includes 12 offices, over 2000 employees and an estimated \$140 MUSD in revenue. The FirstService Security Division includes Intercon Security in Canada and Security Services & Technologies (SST) in the United States.

Brewer's challenge is to combine the strengths of both organizations to enhance their ability to deliver consistent quality service for all clients in the US & Canada.

FirstService Security is a division of FirstService Corporation, a leader in the rapidly growing service sector, providing a variety of property and business outsourcing services.

SST is one of North America's premier systems integrators providing innovative products and services for commercial, industrial, healthcare, pharmaceutical, education and Fortune 1000 clients.

Intercon Security pioneered the concept of integrating security services and systems. They provide practical, cost-effective solutions for commercial/office tower, corporate/owner occupied, retail, industrial and high-end financial markets.

The videoconference will be available via website access after April 2nd. There will be hypertext links on <http://www.1sst.com> and <http://www.interconsecurity.com>
